

2007 Top Companies

Our ranking is based on annual sales of paint, coatings, adhesives, sealants and related products. For companies based outside the U.S., sales are translated into U.S. dollars using the average currency exchange rate for the company's fiscal year/reporting period. Click on a company name to jump down to the company information.

1. [Akzo Nobel \(The Netherlands\)](#) \$7.8 billion
